

## League play (6 weeks)

### Doubles Format:

- The purpose of our doubles division is to promote growth and understanding of disc golf. As such, we hope that experienced player's partner with beginners.
- Each team members plays the course as an individual player.
- The score for the team in each hole is the combination of both players.
- League play is on a Monday-Sunday basis. Scores will be submitted once per week.
- Scores must be submitted before midnight on Sunday of each week. (Example: scores for the week of August 30 through September 5 must be submitted before midnight on September 5)
- A penalty stroke must be added for each out of bounds throw.
- If a score isn't submitted, advanced par +1 will be allocated per player for each hole that week.
- Each team's highest score will be dropped at the end of league play.
- The lowest 5-week average score is the league winner.
- League ranking will be updated and emailed on a weekly basis.
- League rankings will determine league champion.
